# DEAR DELILAH

Get a spanking ticket to share with other readers? Then send a hot, sticky letter to me, Delilah, and tell me all about it. I'm 36 years old and a 36DD cup. I've been spanked and it's fantastic. At least I think I am. Why not try me? I can't promise not to answer back though. Think of me as your own personal sex therapist and get those letters, and fantasies, coming. Send your horny words to: Dear Delilah, Ravens, Galaxy Publications Ltd., PO Box 302, Wilham, Essex CM2 3GZ.

## Dear Delilah

My husband and I have always enjoyed oral sex. Lately, though, every time I do it to him, he asks me if I will lick further back, too. I've told him I don't want to do it as it's unhygienic and can't taste very nice, but he's really keen for me to do it and says it will really turn him

on. Do you think I should?

**DESPERATE WIFE,  
STRATFORD.**

Rule number one in sex is that no-one should have to do anything they don't want to do. If he's that keen on having a tongue up his hole and you have reservations, don't do it. I'm sure he wouldn't want you to throw up all over him!

However, you may be able to think of other ways to turn him on there, that don't involve your tongue. A well-lubricated finger, perhaps, or even a vibrator, so long as you don't stick it inside yourself before washing it, as there is an added risk of germs and STD's from the anal area. It may help you feel better about the whole thing if he has a thorough wash first so you know he's squeaky clean.

## Dear Delilah

As far as I'm concerned, nothing in life is more important than sex. (And so say all of us!) If I'm having a good time in bed with a girlfriend, I don't bother to turn up for work and I've lost two jobs that way, but it's been worth it. I think about sex from the moment I wake up in the morning, and even dream about it.

I was having a count-up the other day and I reckon I've screwed more than 300 women (I'm 36). That makes

an average of 15 a year over 20 years, which doesn't sound so bad really. (Maybe you had a couple of lean, or faithful, years when you only fucked two, and the odd year when you went mad and had 300)

I'm not so callous that I can't remember the really nice girls and the really great fucks. The greatest was a fantastic fuck in a friend's Rolls Royce with a lass called Jill. The car is my friend Jon's pride and joy and he keeps it in the garage apart from one short trip a week, to turn the engine over. While he was on holiday, he asked me to do this for him.

I had this girl I wanted to impress. Jill was a slim blonde with a fantastic giggle and very long legs. Her tits weren't large but they were perky, firm and a decent handful. We'd screwed a couple of times and she was dead keen and quite adventurous. I told her I'd pick her up and when she saw the Rolls, she nearly had an orgasm. (Bring it round here, Jim, and so will I)

Needless to say, we didn't drive very far, just far enough to find a quiet street. We parked by

off and felt the thrill of that soft leather against our bare skin. We climbed into the back, pulled the blinds down and when I put my hand on her pussy I found she was dripping wet. She actually squeaked as I put my fingers inside her. We certainly didn't need any extra lubrication as I slipped my cock inside her. Her bucking arse and clawing fingers made me climax really quickly and she came at the same time. That car must have

a brick wall at the end of a cul-de-sac. Nobody was around, although it was only 8 pm. **(A Roller's a bit conspicuous, isn't it? I think you were both exhibitionist!)** The seats were made of such soft, padded leather that it was like being in a bed with leather sheets. We soon had all our kit

been rocking! I stayed hard inside her and she came again and again while I worked myself up to a second squirt. When I took her home, she said it was the whole thing - the smell of the leather, the fact that it was a Rolls Royce, and the danger of being in a public place - that

made her so horny.

We had several more stings in that car before my friend got back. I had to do a really good clean-up job to remove any sign of come stains. Have you ever done it in an expensive car, Delilah? You look a classy girl to me. **(Thanks!)** and I can just picture you party-less in a big limousine with the driver's hand working you as he drives along.

**TIM, CHESTER.**

When I was about 20, I was fucked by two members of a famous rock band in a Daimler Sovereign on the way to a gig in Leicester. We were in the back of the limo together and

that I couldn't bear it. Have you sucked toes or had yours sucked? Tell me what it was like for you.

**MARY, OXFORD.**

The first law of toe-sucking is clean feet, so stiek that bloke of yours in the shower. The second one is manicured nails, so use that nail file. Toe-sucking has to be part of love-play because only when you're relaxed and turned on will the ticklish feelings stop. Here's how I approach toe-jobs. I strip my partner naked, then oil and massage him all over till he's putty in my hands - apart from one obvious hard

the chauffeur probably saw everything. At one point I was sitting between them with a sock in each hand, teasing them off. Then I sat on each prick in turn while the other guy watched. I do agree with your girlfriend that being in a luxury car is a turn-on. So is being on an expensive private yacht. Anyone got any sexy reminiscences about that?

## Dear Delilah

Can you please explain to me what people get out of toe-sucking? It seems to be popular and fashionable but I don't know why. When my boyfriend had a go at sucking mine, all it did was tickle and when I tried to suck his, they tasted so awful and his toe-nails were so jagged

bit! I work on his shoulders and gradually move down, leaving his feet till last. Placing a foot between my hands, I gently rub and squeeze as I work my fingers between his toes. Then I substitute my tongue for my fingers and, holding his heel in my hands, I lasciviously work my tongue between his toes. I then suck his big toe and give it a good lathering with my tongue, whilst massaging his heel and ankle. Do to his big toe what you would like to do to his cock. He'll get the message and it will get him squirming and begging for it. When it comes to your turn, get your lover to do all the things I've just described to you. Talented toe suckers can even screw and suck toes at the same time.

# Pick Up A Raver!

Over the past few months we've been a bit careless here at Ravers. All those pictures of fabulously pre-ggers birds, chicks covered in lard and other raunchy items have made us commit an almost unforfeitable error - we left out the 'Sets For Sale' ad in the Ravers Bang Gang Special. Quite frankly, the Ed says, there just wasn't enough room for all the smut that we have to fit in a Special. That's our excuse and we're sticking to it. Anyway, if you were frantic for a pack of pics of a particular pussy's pink parts fear not! Here's all the relevant stuff you could possibly need, as well as the fresh young flampers from this issue.

Please send me the following Picture Packs at £6.95 per Pack:

Sammy's  
Sunny Snatch!

**T**his is shaping up to be a bit of a Ravens Car Spesh, isn't it? Well it's not deliberate, that's for sure. It just seems like a lot of snappers have opted to pop out and take pieces of minge and motos lately, that's all. This set, though, was never meant to happen. Phil was driving down a country road with Sammy when a bunch of 'lads' in a GTI overtook them and one bloke mooned them. Sammy thought this was a fucking great idea, and asked Phil if he'd mind pulling over so that she could flash her fanny at passing motorists. The results speak for themselves, but if you were driving down the B1037 about two months ago, you already know all this!

# Tail Ends Amanda

**B**limes, Amanda ought to have "Caution: Slippery When Wet" stamped on her mound! Just look at the state of this moist little Tail Ender! Can you think of a hornier way of ending the mag than to get some young Banger and smear baby oil all over her tanny and bumhole? Nope, neither can we. Unfortunately, we can't show you this Editorial gang bang we all enjoyed afterwards, thanks to our outdated obscenity laws and, um, the fact that we all got knockbacks from Amanda, but hey, at least we tried! See you next month with more steaming sexpots!

ed and within a few seconds four more loads of come splattered all over her back, arse, shoulders and hair. It was the hottest night I'd ever seen and my cock was stiff as a pole again. The smell of spunk and fatty juice filled the room as Shelley lay on the floor covered in cock cream. I lunged forward and pulled Shelley onto her hands and knees. I rammed my stuffy deep into her cunt, and rubbed my hand on her clit to bring her off.

Everybody watched as I

the guys removed her bras and panties, and she was left with her gaping pussy on full show. Two lads positioned themselves over Shelley's head and wanked like mad. After a minute one guy sprayed his seed all over Shelley's hair. The other guy followed his example and Shelley's hair glistened with spunk. Another guy by her arse moaned out loud as his cock erupted, the sticky semen squirted all over her arse and thighs.

"Give me more!" Shelley shout

fucked her from behind, and eventually filled her with my come. Shelley gasped as she reached orgasm, but hardly had time to recover before another guy thrust his cock into her mouth. From this point on the whole party developed into a full-blown orgy. I'd never seen so much kinky sex before!

Shelley and I are going to another party in a couple of weeks and I hope it will be as horny as the last one.

You did what? With how many people and a banana? Blimey! Don't just tell us about it, share it with the rest of our readers! We're dying to hear about your sexual adventures, and if you send in some photos to go with it, we'll pay you 25 quid for every snap we print! So get scribbling and start snapping, because these pages are yours to fill! Send your letters to: Rave On!, Ravers, Galaxy Publications Ltd., PO Box 312, Witham, Essex CM8 3SZ. Or, if you've got a computer and a modem, send us some filthy e-mail! Our address is 100450.760 on CompuServe, or 100450.760@compuserve.com if you're on the Internet. Just put Rave On as the subject line and we'll take care of the rest!

## Best Defence

Dear Ravers,  
This is the second time that I have written to you at your brilliant magazine. The main reason why I feel compelled to write to you is that, after buying Vol 2, No 4 and reading the letters page, I was amazed to read the letter from Clive. If this is a genuine letter, then he should seek some sort of professional help (I don't know about whether or not Clive needs help, but the letter was indeed genuine, as is this one! - Ed Asst) What a complete arse-hole! (Hey, don't sit on the fence, tell us what you really feel! - Ed Asst) I think that

Ravers is excellent for the very reason that the Editor outlined - lovely pregnant girls showing their all, the Toe Job and the fact that none of the girls pictured look as if they are advertising expensive perfume or overpriced fashions.

No pointless posing, just wonderful girls with gorgeous bodies, looking ready to fuck. Like all the rest of your readers, bar Clive, I'm a normal guy, married and as keen as I always have been on wanting over sex mag as an additional outlet for sexual relief.

Perhaps Clive ought to stick to buying Cosmopolitan or borrowing his mum's catalogue

and waking himself into a stupor over frumpy models.

Just one tiny criticism - no pregnant girl set in Vol 2 No 3? Are these models hard to come by? Also, Gill's set looked remarkably similar to her earlier one, even down to her sleeves and stockings! (He is a beauty and I was glad to see her again. Is there any chance of a Mum's The Word Special one day? It would be the ultimate collection for us mums to be fans)

I'm sure you don't get many letters from the likes of Clive, and that those you do get are treated with the contempt they deserve. Yours,

Bob, Maidenhead.

Pregnant sets are quite hard to find, Bob, and so when we do find a model who's willing to show off her bulge, we shoot more than one set of her - hence the similarity between the Gill sets you noticed. As for a special? Well, given the scarcity of sets, we reckon you'd rather have a pregnant lady on a semi-regular basis than a batch once a year. Still, send us your opinions not to mention your pregnant photos! - Ed Asst.

## Choked About Smokes

Dear Rave On,  
I have been rather disappointed with Ravers of late. At one time you used to publish two or three pages of girls smoking, but you seem to have dropped this idea.

To me the Clean Shaven Special Issue 2 was very frustrating. Pages and pages of girls holding cans of foam, razors, shaving brushes, etc, but not one of a bare pussed miss enjoying a cigarette. What really pissed me off is that in my collection I have pictures of several of the girls featured in the Clean Shaven Special smoking in other magazines.

The Toe Job girl was featured in the Smoke My Pole section of your sister mag TwoBusts only recently, as were Vicki (p68) and Amanda (p104). I have

# Jenny

**R**egular readers will remember that a couple of months ago we had a nice long chat with Jenny about porn, lap-dancing and what it was like having sex with the Ed of Ravers. Since then she's been busy dancing and posing for snappy sets like this one, flashing her soft, bulging mound at the Ed at every available opportunity. Not that he needs an excuse to get a stiffy, of course, but posing sets like this one certainly gives him a good alibi...

RAWERS  
Jenny

# Rave On!

a pic of Sharon (p44) smoking and the kinky-looking Melissa (p74) has been shown in your publication several times over the last year or so, smoking a cigarette. Also I noticed you published a letter in your Clean Shaven Special Issue & from Damien of Scarborough praising

the charms of Kate in your Xmas edition. I too found this set very exciting and wanted over it several times

So, I shall give you one more chance, otherwise I'll stop buying Ravers and stick to good old TwoBlue. I demand you show pictures of Amanda, posing exactly as she is on p109, in the same sexy pink gear, with an unlit cigarette in her

mouth, staring into the camera's eye. Also shots of Vicky, Melissa, Sharon and Laura having a smoke would help make up for the last three issues, which have been almost devoid of sexy smokers. I mean, don't you get a bit fed up with Bob razors, foam and pies of fat? Excuse me, I'm going to wank myself silly over my big picture of Uins Thurness smoking a cigarette in the film **Pulp Fiction**. Or I might watch my home-made video of Calista Fika, Sophie Lawrence, Amanda Donohoe, Joanne

Whalley-Kilmer, Eva Pope, Watson Ryder, Shannen Doherty and Liz Hurley smoking. I add to it every time I see an attractive woman smoking on the telly. In fact my latest addition is Lulu, believe it or not, in an episode of **French And Saunders**

In one Sunday newspaper it was revealed that videos of smoking women are currently big sellers in America. How I wish magazines and videos would appear on British shelves, it's frustrating with a fetish like mine. Please help! (Do you want all our models to get lung cancer? - Ed Asst)

Jon, Lanes.

## In Shaven Heaven

Dear Ravers, I have just bought a copy of the Ravers Clean Shaven Special, and without a doubt it is the best magazine that I have ever bought! As if this wasn't enough, the letters all referred to issues of Ravers that contained sets of pregnant women - a subject that is badly

looking from all other magazines. After posting this letter I'm going straight back to the newsagents to see if I can buy the latest issue of Ravers. From now on it will be my first choice, especially if it continues to feature pregnant women. By the way, how do I get hold of back issues so that I can see previous pregnant sets for myself? And what about a pregnant special? I'm sure it would be a best seller. (That's not a bad

idea. By the way if you want back issues just write in addressing your envelope 'Back Issues Dept' - Ed Asst)

Yours,

Nika, Hampshire.

## Lust Hospital

Dear Ravers, Thanks for printing the letter and pics in Ravers Lives (Vol.1 No.11). I hope you all had a good wank over the story of me in Spain. Well you'd better get your pricks out again as I tell you all about my latest video appearance.

CONTINUED ON PAGE 31

Dear Ravers,  
I thought I'd tell you about an experience my wife Pam and I shared a while ago. Pam has always been an exhibitionist and knowing that men have ogled her shaved cunt has always been a huge turn-on for us. One night we met Kevin, an old friend who was out with a couple of mates celebrating his birthday. While I was getting our coats Pam invited all of them back to

was sucking on a big black guy's cock. Then Pam walked in wearing a long coat and she said to Kevin that he ought to have a strip-o-gram on his birthday. She flashed a smile at me and began dancing, letting her coat fall open. All she had on underneath was a g-string and hold-up stockings. She took her coat off and began squeezing her tits and rubbing her stiff nipples. The three lads stared as she bent over in front of them and began rubbing her clit through her g-string. She grabbed Kevin by the hand, pulling him up and began moving up and down his body, rubbing her tits against him. Dropping to her knees, she undid his jeans

ing her clit and fingering her soaking pussy. Matthew pushed his cock into Pam's mouth and began fucking it. James replaced his fingers with his cock and rammed it right up to hilt. Pam eventually got them to kneel over her as she wanked them off over her tits.  
I thought it was about time I had a go and I fucked her doggy style while she sucked a rejuvenated Kevin until he came in her mouth once more. This went on for most of the night, but we've never experienced anything like it since except that Pam seems to want me to come over her at least three times a night.  
Dave, East Anglia.

carry on celebrating. I was a bit pissed off about it as I was looking forward to getting my cock up Pam, but as Kevin was an old friend I agreed. We put some music on and poured some drinks Pam suggested I put a porn video on the telly and as I did she disappeared upstairs. The rest of us sat there trying to make conversation, but our eyes kept straying to the TV screen where a girl

and released his rock hard cock. Pulling his jeans down, Pam licked his balls then ran her tongue right up his shaft until she reached the tip. She took his knob end in her mouth and moved up and down his long shaft while she tickled his balls with her fingertips. Kevin didn't last long and he was soon shooting his spunk all over Pam's face which she lapped up. Pam then lay on her back and started rubbing her clit in full view of the Matthew and James. She said it wouldn't be fair to leave them out and they didn't need asking twice. They soon stripped off, James went straight down and started lick-

# Steph

**N**ow we've seen Steph up the duff before and, since this set was shot, she's dropped her little specklet. We hope both are doing well and that Steph decides to show us her normally svelte figure topped off with a pair of milk-filled paps as soon as possible. **D**ella Smith was never like this. The morning I woke up and found a naked fucktively making a waldorf in my country (shurely country? - Ed) kitchen was one of the greatest hallucinations I have ever had. I was so pleased when Chantel, the eager young photographer, said she'd recreate my dream as a photo shoot that I almost fainted. So here it is. Kelley in the kitchen mixing her greens just for me. The Consumer Electronics Show is a festival highlighted in every porn fan's diary, and not just because it features the internet which, as the press will tell you, is a hotbed of smut and porn. Naturally, we had to have a gander, and so **LINZI DREW** flitted over to show us why it's such a top bash...

# LEERING LAS VEGAS

**O**n first impressions, the Consumer Electronics Show might sound like a bit of a yawn to the majority of you who aren't complete computer boffins. But take it from a girl who knows; at least one part of the show is of interest to punters with a penchant for lewd ladies. Held in the airy exhibition hall of the Sahara hotel in downtown Las Vegas, the CES pool of desire is not only choc-a-bloc with flashing one armed bandits, crowded black-jack tables and goggled-eyed gamblers, it is also filled to the brim with all your favourite sex stars. The annual CES show runs for four days and is fairly unique in that it's one large exhibition spread over a handful of different venues within monstrously large hotels all over Vegas. I must confess that I have no idea whatsoever what actually goes on in any of the other bits. Whilst I'm bit of a technology fan and a right lurch to boot, basically I'm only interested in the stars, and of course all those cockhappy studs hanging out at the Sahara. The erotic video section of the

Consumer Electronics Show plays host to well over 100 top female stars, from legends like Amber and Pamela Lynn, Joannee Pepper and Bunny Blue to rising newcomers Sacha Solo and Camille Savage, they all turn up at the Sahara. Every one of them looks a million dollars with their hair coiffured, their lips glossed and their beautiful bodies barely covered. They've all come for one reason - to boost the sales of their new movies, but a party or three wouldn't go amiss! The big names of the hard-core movie business mingle happily with the assembled, admiring throng - handing out flyers, talking to TV crews and video executives, as well as posing with their adoring fans. Some fans will queue for hours in order to steal a kiss or, if they're particularly forward, grab a quick handful of the girls who make all their wanks worthwhile. There are thrills for the ladies, too, as the likes of Rocco, John Wayne Bobbitt and Ron Jeremy are all hard at it as well. Naturally, plenty of female fuck fans are keen to get to grips with their favourite studs

"What do you mean, 'tis like a bullock's nose?"

Generally, a good time is had by all and believe it or not, business deals are done, even with all that distracting bare flesh about! Actual nudity of any sort is discouraged at the Consumer Electronics Show, mainly because the FBI like to keep an eye on things, whilst mingling discreetly with the crowds. I remember being at one of the shows a few years ago and I was - boring my large bosoms to all and sundry, posing for some saucy snapshots quite happily until some bright spark warned me that if I didn't cover up my wobbly bits I was in danger of getting myself arrested. My tits have never been popped away so quickly! Luckily for us fun lovers, there were those who completely disregarded the rules and it

wasn't just tits that were being flashed about. Some of the naughty nymphs in attendance seemed unable to resist baring their all for the many interminable cameras and handcamers aimed in their direction. At times you could n't move without catching a glimpse of a musky mons staring up at you. Crotchless panties and tight PVC hot pants made it possible for these wild and wanton women to afford me a glimpse of their most valuable assets, and quite naturally I took the opportunity to photograph said juicy bits! Talking of flashing females, there was plenty of that going on - at 15 minute intervals to be precise. A local strip joint had erected a makeshift stage (and plenty more

beadily in a corner of the exhibition hall on which these sexy, scantily-clad girls pranced around, strutting their stuff. Their performances seemed to be greatly appreciated by the rowdy crowd of onlookers who behaved just like the paparazzi – jostling each other for position as their shutters (and trousers) worked overtime. Strangely enough, the strippers weren't actually permitted to strip off, but that didn't matter too much, as their minuscule costumes certainly weren't up to the job of keeping their curvaceous breasts in check. It has to be said that all the crotch gyrating, opening and spreading of legs and body caressing was more than enough to kick the imagination well into gear and have the guys snapping away like crazy. What a good advertising ploy. I'm sure the party was jumping in the evening, when all those horny guys fancied a sexy place to hang out after the show. Amongst the multitudes of sexy places to hang out at the CES, the one I would certainly have recommended a peep into was John Buttman's 'Strapline's' little corner, the Evil/Elegant Angel stall. This company is home to some of the biggest and most admired names

in the adult movie business. John and his various colleagues – Bruce Severi, John Leslie, Rocco Siffredi, and Patrick Collins, all prolific producers of hard, 'misty' sex videos – were exhibiting their wares on one large stand. As you'd expect, this particular area of the exhibition hall was packed with arse worshipping guys and titty with big fat bums to die for, including Buttman's latest dirty discovery, Sabina of Finland. Sabina is the star of Buttman's Eurostyle Vacation 3, and the gorgeous blonde had guys falling over each other in order to capture a shot of her amazing rear end. Another stand that was quite undeniably mobbed was Big Top Video. They specialise in producing high quality movies featuring ladies with unbelievably large bosoms. Some fans of these top heavy temptresses are so smitten that they travel halfway across the world just to share a few precious moments with their favourite busty girls. Big Top did them proud by offering them such tasty titbits as Angelique, Danni Ashe, Tawny Peaks, Serenna Lee and Traci Topps to name just a horny handful. Big Top's lovely, voluptuous ladies were busy promoting their

latest film, Thunderboobs. It's a James Bond spoof which was shot on location on a private island in the Bahamas. I penned the screenplay and included a cameo role for myself as Miss Jacy Fanny. Unfortunately, my minor role was shot in Wandsworth, South London – I suppose my tits just weren't big enough! As you'd expect, the juicy dad playing the spoof Bond, rubbing up against all those big breasted babes and getting a trip to the exotic Bahamas into the bargain was a British stud – Marco Franche. He was in Vegas with his chum Ben Dover, the bull-loving Brit following very successfully in John Scagliano's footsteps. Another British sex star making her presence well and truly felt at the CES was our very own naughty symphonist, Nici Sterling. She was looking as sexy as hell at the Sterling Pictures exhibition stand and going down a treat, as you can see from the pictures. So we Brits didn't let the side down at the 1996 Consumer Electronics Show. And of course, your roving reporter was also in town in order bring you all the hot gossip and sexy snap shots. I hope you have as much fun checking it out as I did! ●

Birkenhead*

BABEWATCH

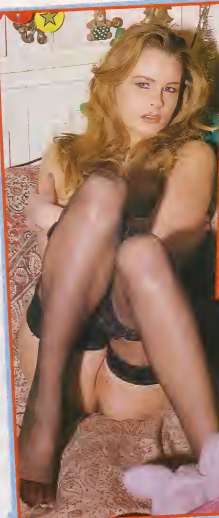

Julia lives in Birkenhead of all places, and these pics were sent in by her boyfriend. Blimey! I'll bet he had fun taking those pictures. Top marks for the use of dustbin liners, too. After all, we wouldn't want to stain the carpets and, with a top babe like Julia in the house, stains would be a common occurrence. Oh yes, we like this one a lot - hence the fact that we're paying her £125 for getting her pert little love baps out. Suits Us, Sir!

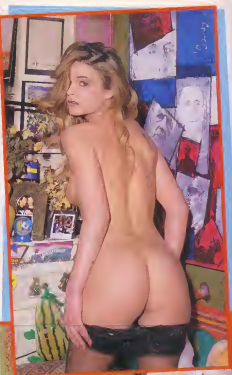

Suzanne

Photographed by Denys DeFrancesco

**W**hen we get the chance to shoot a set in a model's house, we try not to miss out on it. They just look much, much nicer than when they're posed in a studio, don't you think? I mean, looking at this set shot in Suzanne's bedroom, you know full well that over in the corner there's a chest of drawers crammed full with her undies, and that if you got the chance to look, you'd find a soiled pair or two under that couch, where they'd been kicked. What gets me is that someone so horny can live in such a cramped room; she wants to move into something a bit bigger, a bit roomier with a nice warm atmosphere. Like my trousers, for instance!

We were contacted by Gunter the German guy who had made the video in Spain. He asked if I would like to appear in another video in Germany. As my hubby loves to see my being fucked by big dicked studs, we said "Yes."

We stayed with Gunter and his wife for a week, in which time I'd appeared in two videos. My favourite was the second video, which was set in a hospital. I had to wear a tarty nurse's outfit complete with hat, white stockings and white high heels.

Some of the guys I had to fuck had massive cocks. When I see myself on screen, struggling to suck a massive prick it really turns me on. I was fucked by two guys while a tarty blonde loked my clit and screeched. She

kept pulling the disk out of my twat and sucking it before putting it back in. I also did an anal scene in this video. I was shagged up the arse while my funny was licked and fingered by another very sexy woman. During the film I had spunk splashed over my tits, arse and of course, my face. The best bit was having four men toes all over my face at the same time.

The videos are only sold in Germany. If anyone I know saw them I would be in trouble, as I have a high

powered job in banking. This is the reason I can't show my face in the photos, but I love this other, secret side to my life and my husband really enjoys it.

Claire & Lee, Lancs.

## No Claims Boner

Dear Ed,  
I am 25 and work in an insurance office in Preston, in a building which houses a number of companies. About a month ago, Emma joined us. She is 32,

quite pretty and very well built. From the girls in the office, I learned that Emma was married, but separated. It soon became apparent, from things she said or hinted at, that Emma was messing her sex life. We got on well together and on one afternoon I slipped her a note asking her to take the lift down to the basement on her way home and to wait for me there. Waiting until she had left the office, I borrowed the key to our part of the basement, where we kept old records and discarded furniture. Emma was waiting there

## THE COCK EXCHANGE

Ladies, take a look at the size of those Trust Funds! Who needs financial portfolios when you've got balls like coconuts and a knob like a marrow? But enough about the Ed, here's this month's entries to The Cock Exchange. And remember

gents, we'll pay 25 notes for every cock out piccie we print. So if you want to give our female readers a thrill, start sending those snaps in! But please, floppies only; we can't use your hard-on shots, and that especially goes for Bryan in Birmingham, who had a monster cock but it was way too stiff! Send your snaps and cock sizes when stiff and floppy to: RT, Ravers, Galaxy Publications Ltd., PO Box 312, Witham, Essex CM8 3SZ.

**Who** is Keyser Soze? I watched *The Usual Suspects* on video a few weeks ago and I had absolutely no idea what, if anything, was going on. However, I do know that if I had to round up five people and take snaps of them against a wall, I'd choose the Bang Gang. sheath of clinging girl-flesh, before she gave a loud cry and came with frantic jolts of her body on my hard shaft. I managed to hold back my own climax as Emma panted, "Oh, have I come?" Then, feeling my erection still inside her, she asked me if I had. By way of an answer, I poked her up with my hands around her

for me, and I think we both knew why we were there. Locking the door behind us, we were soon kissing and Emma was tonguing my mouth feverishly while I was fondling her large breasts as she stood against the wall. I pulled her skirt up and found, to my delight, that she had taken her panties off. My hand went through her patch of pubic hair and I found the lips of her hot and very wet cunt. She gasped as I fingered her moist little slit, and as she clamped my neck she moaned, "Yes, yes, take me now, quickly!" I swiftly dropped my trousers and pants, stopping out of them

as fast as I could. My cock rose to the occasion, standing up hard and erect as I bent my legs a little and stroked my big knob along her cunt lips, making it slippery with her juices. Then I straightened up and my erection slid smoothly up her hot, wet cunt. "God, you're big!" she gasped, but responded with her hips as I thrust more of my throbbing cock up her. It only took about a dozen or so thrusts of my rampant shaft up her soaking wet

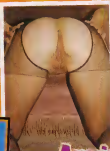

soft area and, walking over to a low coffee table with my erection still embedded inside her gaping love hole, put her across it, and rammed my erection in and out of her juice-filled pussy. Her legs came up around my waist as she responded frantically with her body. "Oh God," she moaned, "I'd forgotten it could be like this!" We fucked urgently until the full length of my seven inch cock was buried so far in her that our pubic hairs were mingling. Then she

# Wonderful World of arse!

Right lads, hands up anyone who wouldn't like to be this close to Anne's lovely round rump. Good, that's settled then; portions of Anne's bum all round please, waiter. I'll have mine as it comes please, straight from the pants. Anne, we envy your husband - what a glorious view he must have every-time you go on all fours. I could sit in a big easy chair and make you pick

things up off the floor for hours if the view was this good! Thanks for sharing! Remember, if your wife has a bum worth talking about, we want to see it. We'll pay £12.50 per buttock or £25 for every photo we print. Send your saucy snaps to: WWA, Ravers, Galaxy Publications Ltd., PO Box 312, Witham, Essex CM8 3SZ.

Hot Shots

**Y**es, this month *Ravens* is proud to bring you exclusive shots of the Ed's desk. You too can enjoy staring at the seat he sits in as he prunes the mag to its usual high standard. Coo like a pigeon over the hi-tech computer doohickey he uses to play *Doom II* at every opportunity. Finally, feel weak at the knees as you spot the pinboard of lust, where all the smut is tacked on in a frenzy of passion. If only we could get that bird to piss off.

gave a loud cry and her cunt muscles contracted around my cock. That did it for me and, with a shout, I was shooting sperm after sperm of my spunk into the depths of her pulsating cunt in a glorious and satisfying fuck.

We lay there for a few moments, getting over our emotions before I pulled my shuddering cock out of her sopping wet hole and sat on a nearby couch. Emma came and sat beside me and we were soon kissing as I

caressed her shapely breasts. Then she got hold of my cock, which was still slippery with her cunt juices. She began to wank me and my cock responded to her touch. Emma said, "I used to be quite good at that" and slid her wet, warm lips over my knob and down my shaft. It had been some time since I had enjoyed a good suck out, and she was really good! In no time she had about half of my erect cock in her mouth, suck-

ing at it lustily. As she did it I held her head, there and fucked up at her mouth.

Harder and faster she sucked at my throbbing cock, and I knew I would have to come. As my cock jerked in her sucking mouth I let go of her head and called out, "Look out Emma, here I come!"

She took no notice and the next moment my spunk was jetting into her mouth as she went on sucking until the last spurt had come out of my jerking knob. What a suck off that was! She gave my cock one last deep suck before releasing it. Grabbing her handbag from the floor, she took her panties from it and dribbled my spunk into them, before wiping her mouth.

That was the end for that day, but I still go three or four times a week to her place. There is nothing she likes better than to be naked on her bed, where she

sucks me to a hard erection before I fuck her from behind on all fours. Another way we enjoy sex is for me to bring her to an orgasm with my tongue by licking her clit, after which I shoot off over her skin as she winks me between her 38 inch tits.

Geoff, Preston.

## Preg Bird-A-Go-Go

Dear Ed,  
Could you possibly pass this letter on to Delilah for me (Well, I'm sure she'll read it here - Ed), as I think she's the most

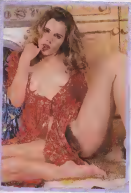

attractive woman in the world.

I was interested to read about Pete from Grovesend in her column in Vol 1 No 11 who was wondering if he could fuck his girlfriend and her mother. Well, I have been doing this for years now and I have no problems with it, only pleasure.

I advise for mother and daughter duo, and I'm always surprised by the response I get. I find it a real turn-on to fuck the daughter in front of the mother, and then the mother in front of the daughter.

Fortunately, I can repeat, so neither one goes short of spunk and it's lovely to have them both looking me down afterwards, so my message to Pete is to go for it!

Anyway Delilah, as a first time reader of Ravers, it looks as though I shall be buying it regularly now, as it has made my

# Leg Ends

While we haven't done a Leg Ends for a while, mainly since so many of your entries have had arses so good, we've swiped them for our World Wide Arse feature instead. This time, though, we decided that Terri needed some space all to herself. Not only has she followed the Ed's recent advice about how horny body-free

tights can be (no gusset to get in the way of shagging), she's got a stunning set of pins, too. Although to be honest, we're still more interested in how great her bum looks when it's framed by her tights. Sorry Terri, but you do dreadful things to our trousers. Please send in some more pics! Remember, we'll pay you £25 per picole printed, so send your photos to: Leg Ends, Ravers, Galaxy Publications Ltd., PO Box 312, Witham, Essex CM8 3SZ.

# GLAMOUR 'TWISTER' TRAGEDY

These exclusive pictures show the six female participants in the John Mason 1996 All Nudie Colourblind Bird And Oil.

Twisterthon, held in John's front room a couple of weeks ago. At the climax of a thrilling contest, a particularly tricky combination led

to a severe limb related accident. As John rushed to the aid of the entangled girls, he slipped and fell, grazing his silky smooth cheeks on

the warm tender thigh of one of the competitors, who later had to retire from the competition, claiming heat stroke. Yet another of the partic-

ipants became firmly embedded in a companions lower bodily orifices, and when asked for a reaction simply said, "Mmmf, Mmmmmf, mmmmmf." Competition officials, led by David Spenser, are looking into the whole situation - VERY CLOSELY!

dream come true by featuring pregnant women

It's just what I enjoy seeing and I wouldn't mind if the mag was filled from end to end with them. The bigger their bellies, the more I enjoy it. I thought the pictures of Katharina in Vol 1, No 11 were great, they really gave me the urge and put spunk in my balls

The ploy of her squawking down with that luscious big tongue licking her tit was great. I

can just imagine that under my prick, licking my balls.

Perhaps you could pass the word on to keep up the good work. If so, I'll remain a regular customer

Love,

Dave, Essex.

I just wanted to say that

## The Shooting Party

Dear Ravers,  
My partner Shelley loves to tease me by flashing her juicy funny and big tits to other men. She has also developed a taste for spunk,

mag. The feature which makes your magazine the best is, undoubtedly, Smoke My Pole. The sight of a gorgeous young model smoking a cigarette drives me wild and I would love to see this feature extended.

Perhaps you could produce a special. In years of buying galle magz, I have seen PVC specials, leather specials, food specials and wet specials, but never a smoking girls special edition.

The thought of seeing the licks

and proved it at a sexy party we went to recently

Shelley dressed like a real tart for the party, with a half-cup bra, see-through blouse, tight lycra mini skirt and sheer black seamed stockings. Her skirt was so short that she flashed her stockings tops and knickers to the taxi driver who took us to the party

After an hour the party began to hot up and one of

If there's one girl we'd like to see drenched in white stuff, it's young Claire here. Okay, so the cute bubble-gum fanned fucklovely has moved over into dirty films now, but I'm damned if I can find any of her vids anywhere; Lord knows, I've tried! Still, at least we can enjoy watching her get all moist and sticky while washing the Ed's new convertible. She did a much better job than those two kids who came round during half term, too, even if she did forget to do the wheels...

the first sex games was 'suck the cock'. Eight of the blokes formed a circle in the middle of the room and a girl's name was picked out of a hat as a 'volunteer' to do the sucking. My heart leapt when Shelley's name was called out and she stepped into the circle. The music started and the blokes slowly removed their trousers and pants. The eight cocks began to stiffen in front of Shelley and she licked her lips in appreciation. While they stared at Shelley's tits and legs, some of the lads began to pull at their knobs. Shelley was looking quite flushed, and my cock was getting

harder all the time at the thought of what might happen.

The music gradually got louder, and Shelley was told to 'get 'em off' by the other wives and girlfriends. She unbuttoned her blouse seductively and exposed her stiffening nipples. Next came the skirt which she pulled down over her wagging bottom. She stood there looking fantastic, with her filmy panties barely covering her dark pubes. Shelley started to get into the swing of it, especially as the eight guys were tossing themselves more vigorously now. One of the blokes placed his hands on her shoul-

pantes I could see that her gusset was already wet with her own love juices. Suddenly someone shouted, "Next!" And Shelley had to move on to the next bloke. Once again she took the stiff rod into her mouth.

ders and gently pushed her down onto the carpet. She knelt down, with the man's cock quivering inches from her face. As the others watched, Shelley moved her head forward and took his knob between her bright red lips. I gasped and nearly shot my load at this sight because it was so bloody horny!

She took the cock deeper into her mouth, while she started to finger herself through her

# Garage Gash Bash!

**F**anny on a stick, what's that bird doing to my motor? I've only just let Claire wash the sodding thing, and Janice has stripped it down and started to respray it! Give me strength, I had no idea these girls could get so jealous. Lucky I didn't tell her that Claire had washed my soft top, not my concourse condition Chevette with a FSH and a guaranteed 70,000 on the clock. Who knows what damage she could've done to my new car with tits as pointy as that; the paintwork would've been knackered! Still, nice fanny...

and this time cupped his balls with both hands. The aim of the game was for Shelley to make one of the lads squirt his spunk as quickly as possible, while they had to hold on for as long as they could.

Every two minutes Shelley shuffled round the circle, sucking and teasing cock after cock, as the audience cheered her on. I noticed a friend of mine who was frantically pulling at his rod as he watched my partner's thirty performance. This gave me a real thrill and I tugged harder at my own cock. Before too long Shelley sensed that one of the blokes in the circle was close to

orgasm. She dived onto his cock and sucked for all she was worth. The sight of Shelley pulling her nipples at the same time was

obviously too much for the poor bastard and he groaned as he pumped his spunk into her mouth. The sticky stuff oozed from the side of her mouth as the guy thrust his hips forward and continued to squirt from his bloated cock. The spunk dribbled down her chin and neck while everybody cheered and whistled. It was all too much for me and I finally jerked myself off. My spunk flew a couple

of feet through the air, landing on one of the wives' party dresses. She didn't notice because she was too busy frigging herself with a vibrator.

By now the atmosphere was electric and Shelley shouted, "Come on, you randy wankers, give me a spunk shower." She leaned forward on her elbows in the middle of the circle and thrust her ass in the air. One of
